Shaping Careers and Futures in Maryland

# Audiology

WTC's Audiology Services assesses the hearing of individuals with disabilities to determine how hearing loss impacts communication

## Services include:

- Hearing screening
- Audiologic assessment to determine hearing loss and degree and type of loss
- Communication skills evaluation to determine the best method for communication
- Hearing aid evaluation, selection, orientation and fitting
- Exploration of appropriate assistive listening and alerting devices
- Employment-related consultation to determine accommodations and strategies for the workplace

**Contact your  
DORS Counselor or your  
local DORS office  
for more  
information -**
