A. PURPOSE

This Plan of Cooperation is entered into between the Maryland State Department of Education, Division of Rehabilitation Services (herein referred to as DORS) and **DIDLAKE, INC**, which is **CARF Accredited**, for the purpose of establishing practical and effective working relationships between the two agencies in coordinating and providing effective service to individuals with disabilities. Both agencies affirm that no person will be discriminated against, excluded from participation in or be denied the benefits of any of the services enumerated hereafter because of race, color, sex, gender, creed, physical or mental disability, age, political affiliation, or national origin. Each agency further affirms that no otherwise qualified individuals with a disability shall, solely by reason of disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity. (Appendix I, Statement of Assurance of Compliance with Civil Rights Laws).

This cooperative agreement is designed to:

- Define and promote the relationship of both agencies.
- Establish principles for the development of working relationships between the two agencies.
- Define the role, function, and responsibilities of each agency.
- Establish criteria by which the cooperative operations may be reviewed and evaluated in order to determine their effectiveness.
- Define areas of cooperation, including procedures related to referrals, service provision, reporting, communication, billing, and other program areas.

Provider Preference for Set-Aside Contracts. A condition of a Community Rehabilitation Program's approval is to provide approved services to DORS consumers. An approved DORS Community Rehabilitation Program provider is eligible for a preference for set-aside contracts through Maryland Works. DORS does not enter into cooperative agreements with Community Rehabilitation Programs for the sole purpose of enabling their eligibility for such set-aside contracts. ***DORS enters into agreements with Community Rehabilitation Programs interested in providing certain approved services to DORS consumers. DORS will monitor DIDLAKE, INC's provision of services to DORS consumers and may withdraw approval of a DIDLAKE, INC providing few if any employment services to DORS consumers.***

B. LEGAL BASIS

The coordination of programs serving individuals with disabilities and the development of cooperative agreements between these programs has the following basis in Federal and State law:

- The Rehabilitation Act of 1973, as amended by the Workforce Innovation Opportunity Act, 29 U.S.C. 701 et. seq.
- 34 Code of Federal Regulations §§ 361, 363, 397
- The Americans with Disabilities Act, as amended
- Maryland Education Article, §§ 21-301 – 21-304, Annotated Code of Maryland
- Code of Maryland Regulations, 13A, Subtitle 11.

C. THE ROLE AND FUNCTION OF EACH AGENCY

• Division of Rehabilitation Services (DORS)

DORS is the official State agency responsible for administering the Public Rehabilitation Program in Maryland. As such, DORS is responsible for providing to individuals with disabilities determined to be eligible and to meet Order of Selection criteria, vocational rehabilitation services and employment opportunities consistent with their assessed needs, capabilities, priorities, abilities, and informed choice as well as Pre-Employment Transition Services for both eligible, and potentially eligible, Students with Disabilities.

The Division is responsible for assessing the vocational potential of Maryland citizens with disabilities and providing services to assist eligible individuals in entering or re-entering employment thereby improving their ability to function independently in the community. In responding to the vocational needs of eligible individuals with disabilities, DORS will provide and/or coordinate services including but not limited to:

- Pre-Employment Transition Services
- Assessment for determining eligibility and priority for services for vocational rehabilitation based on the following federal criteria: The individual (1) has a physical or mental impairment which for the individual constitutes or results in a substantial impediment to employment; and (2) requires vocational rehabilitation services to prepare for, enter, engage in, or retain gainful employment. Individuals eligible for Supplemental Security Income or Social Security Disability Insurance and those eligible for supported employment through of the Developmental Disabilities Administration and the Mental Hygiene Administration are presumed eligible for DORS services.
- Career assessment services
- Information and referral services
- Assistive technology services
- Vocational counseling and guidance
- Diagnosis and treatment of physical and mental impairments
- Vocational and other training services
- Supported employment services
- Self-employment services
- Placement and follow-up

DORS is required by federal law to establish an “**order of selection**” for services when the agency has insufficient funding to serve all eligible individuals. The order of selection stipulates that individuals with the most significant disabilities shall be served on a priority basis. Individuals may be placed on a waiting list for services. DORS will advise **DIDLAKE, INC** of the status of the order of selection periodically, including anticipated impact on referral of DORS consumers to **DIDLAKE, INC** for services.

The **financial need** of the individual with a disability is considered in determining if the individual would be required to contribute to the cost of certain rehabilitation services. In such instances, the income of the individual/family and size of the family are taken into account.

- a. DORS supports only **competitive integrated employment**. To satisfy the definition of “competitive integrated employment” in section 7(5) of the Rehabilitation Act and 34CFR §361.5(c)(9) of the implementing regulations, the employment outcome must satisfy the criteria of three major components of the definition, including competitive earnings, integrated location, and opportunities for advancement.

- **Competitive Earnings**

- i. Wages comparable to the customary wages paid by the employer to employees without disabilities in similar position.
- ii. Benefits provided by the employer to the individual are comparable to the benefits received by an employee without disabilities in the same or similar position.

- **Integrated Setting**

- i. Employment typically found in the community
- ii. Employment in which the employee with a disability interacts for the purpose of performing the duties of the position with other employees with the particular work unit and the entire work site, and as appropriate to the work performed, other persons (e.g. customers and vendors), who are not individuals with disabilities (not including supervisory personnel or individuals who are providing services to such employee) to the same extent that employees who are not individuals with disabilities and who are in comparable positions interact with these persons.

- **Opportunities for Advancement** – The employment setting provides the individual with opportunities for advancement comparable with those available to employees without disabilities in similar position.

E. REFERRAL PROCEDURES

1. Referrals to the Division of Rehabilitation Services

An individual who applies to **DIDLAKE, INC** for services and who has a physical or mental impairment which may result in an impediment to employment should, with their agreement, be referred to DORS if the individual is interested in pursuing competitive integrated employment. Caution should be exercised in “screening out” applicants for referral to DORS without adequate information. Screening out cases without sufficient data, i.e., medical, vocational, and other relevant data, may result in individuals with disabilities not receiving needed services.

Referral Procedure. Online referral and instructions are available at the DORS website: www.dors.maryland.gov.

2. Referrals to DIDLAKE, INC

- The DORS counselor will encourage consumers, and family members/advocates, as appropriate, to **meet with DIDLAKE, INC staff** at the DORS office or **DIDLAKE, INC** in order to gain a better understanding of DIDLAKE, INC services being considered.

- **Work permits** must be secured by all persons served between the ages of 14 and 15 before they will be permitted to enter any program at **DIDLAKE, INC**.

DIDLAKE, INC shall develop with the individual a plan for EDS/WAT services which describes in writing the behaviors which prohibit the individual from achieving his/her job goal, as well as the plan of action to be taken. As a result of discussing the individual's plan for EDS/WAT services, all of the participants in the process should know specifically which behaviors or problems are being addressed, the objectives or goals which are to be accomplished and the techniques, methods, and procedures which are to be used in accomplishing the necessary changes.

EDS/WAT Reporting. After the person's first month in an EDS/WAT Program, as well as for the duration of the person's training period, DIDLAKE, INC shall complete and submit the **DORS Training Progress Report** (Attachment B) or DIDLAKE, INC training progress report.

6. Pre-Employment Transition Services (Pre-ETS) N/A

In July 2014, the Workforce Innovation and Opportunity Act (WIOA) was signed into law. WIOA replaces the Workforce Investment Act of 1998 (WIA) and amends the Rehabilitation Act of 1973. WIOA requires vocational rehabilitation (VR) agencies to set aside at least 15% of their federal funds to provide "pre-employment transition services" (Pre-ETS) specifically to "Students with Disabilities."

A "Student with a Disability" is defined as an individual who:

- is still enrolled in secondary school and has not exited, graduated, or withdrawn;

The Form is required each month whether **DIDLAKE, INC** is sending an invoice to DORS or not to the DORS counselor on services provided and on efforts to identify a source for long-term funding or natural supports for the consumer to access with the goal for the consumer to be able to continue receiving required ongoing supports after age 25.

8. **Supported Employment – Natural Supports N/A**

This service is for individuals with most significant disabilities that meet the requirements for supported employment services and does not have an immediate guarantee of extended services funding availability, but there is a reasonable expectation that natural supports or other alternate sources will be available upon job stabilization.

Job Coaching Hours. Once competitive integrated employment is obtained, job coaching hours are authorized by DORS based on the Intensive Job Coaching Fading Scale Before Transition to Natural Supports. Additional hours beyond what has been originally authorized may be authorized based on a collaborative discussion between **DIDLAKE, INC** and DORS and may require written justification and approval of the DORS regional director.

Service Intensity. Supported employment job coaching may be provided at the job site if requested by the individual. It is designed as an intensive service. Over time, it is anticipated that the consumer will need fewer hours of support, as reflected in the Fading Schedule with Intensive Monitoring, until he/she has reached job stabilization, i.e., the individual is performing satisfactorily all job duties and is reasonably expected to continue that level of performance. The transition to extended services will begin after all supported employment services are complete.

SEP Plan. The person's **DIDLAKE, INC** Supported Employment Program (SEP) plan shall be developed consistent with the consumer's IPE in terms of the employment goal, work hours per week and other relevant factors. It must contain the description of the job development (if applicable), natural supports available, and integrated work setting services to be provided; provision for periodic monitoring to ensure progress towards meeting the goal and a description of the extended services.

Confirmation of extended supports: The *Employment Service Progress Form* must document the development and confirmation of natural supports as extended services.

Supported Employment Reporting. After the DORS consumer has completed the first month of Supported Employment job coaching and monthly thereafter, **DIDLAKE, INC** shall complete the *Employment Service Progress Form* (Attachment D). - Address of actual worksite if different from employer address
- Integration of worksite
- Start date of employment
- Work hours per week
- Rate of pay
- Benefits received or available through employer

When no placement incentives apply, authorization may be requested to verify employment stability at 90 days through use of **DIDLAKE, INC** *Employment Verification & Placement Incentive Request*.

H. COMMUNICATION REGARDING PERSONS SERVED

In order to facilitate a successful outcome for the consumer, it is critical that the DORS counselor and **DIDLAKE, INC** staff communicate frequently. While written reports are an important, formal means to communicate progress, additional communication should occur on an as-needed basis to supplement formal reporting. Staff of **DIDLAKE, INC** and DORS are encouraged to communicate often by phone, teleconference, email or informally in person; such communication should be documented in the record. At times a more formal meeting, or “staffing” may be required, as follows:

For purposes of this agreement, a **staffing** is defined as a meeting initiated by DORS, **DIDLAKE, INC**, or the client. A staffing will include the client, the individual requesting the meeting, family, or other advocates as appropriate, the DORS counselor, a **DIDLAKE, INC** representative, and/or other supervisory staff. A staffing will be convened at critical times within the provision of services for the following purposes:

- Upon the request of the person served or, as appropriate, the person’s parent, family member, guardian, advocate or authorized representative;
- When progress toward goals and objectives identified in the person’s Individualized Plan for Employment is not being achieved in a timely, productive, and cost-effective manner as reflected in reports of **DIDLAKE, INC** services;
- At other times to address specific issues as requested by DORS or **DIDLAKE, INC**.

I. FEES, BILLING AND FINANCIAL PROCEDURES

1. **Establishment & application of fees.** Fees are established for accredited services at rates negotiated by DORS and **DIDLAKE, INC** (see Appendix 3 – Program Services and Fee Schedule).

- New/revised fees may be applied to persons served already enrolled in the program effective on the official date of the increase.
 - New/revised fees may not be applied retroactively.
2. **Responsibility for payment.** DORS will not be responsible for the payment of any fees charged by **DIDLAKE, INC** for services provided prior to the time authorized by DORS staff.
 3. **Failure of consumer to keep initial appointment at DIDLAKE, INC.** If a person served fails to attend on the starting date, **DIDLAKE, INC** Director or designee will inform the DORS counselor immediately. Statement of Assurance of Compliance with PII Security Breach Requirements

"The Personal Information Protection Act (PIPA), Md. Code Ann. Comm. Law 14-3504, was enacted to make sure that Maryland consumers' personal identifying information (PII) is reasonably protected, and if it is compromised, they are notified so that they can take steps to protect themselves. PIPA contains provisions for notification of consumers in the event of a data security breach and for reasonable security measures to protect consumers' personal identifying information."

PIPA defines "personal identifying information (PII)" as:

An individual's first and last name in combination with:

- A Social Security number, an Individual Taxpayer Identification number, a passport number, or other identification number issued by the federal government;
- A driver's license number or state identification card number;
- An account number, a credit card number, or a debit card number, in combination with any required security code, access code, or password, that permits access to an individual's financial account;
- Health information, including information about an individual's mental health;
- A health insurance policy or certificate number or health insurance subscriber identification number, in combination with a unique identifier used by an insurer or an employer that is self-insured, that permits access to an individual's health information; or
- Biometric data of an individual generated by automatic measurements of an individual's biological characteristics such as a fingerprint, voice print, genetic print, retina or iris image, or other unique biological characteristic, that can be used to uniquely authenticate the individual's identity when the individual accesses a system or account; OR
- User name or email address in combination with a password or security question and answer that permits access to an individual's email account.

A "security breach" is defined as the unauthorized acquisition of computerized data that compromises the security, confidentiality, or integrity of personal information. If a business experiences a security breach where personal information that, combined, may pose a threat to a consumer if misused, that business must notify any affected consumers residing in Maryland. Once a security breach is detected, a business must conduct in good-faith a reasonable and prompt investigation to determine whether the information that has been compromised has been or is likely to be misused, i.e., for identity theft. If the investigation shows that there is a reasonable chance that the data will be misused, that business must notify the affected consumers.

DIDLAKE, INC affirms that they have a policy in place that supports the following requirements and agrees to abide by the requirements outlined below:

A. CRP shall notify the Division of Rehabilitation Services when any Community Rehabilitation Program system that may access, process, or store PII data experiences a Security Incident or a Data Breach as follows:

b. notify the Division of Rehabilitation Services within two (2) hours if there is a threat to Community Rehabilitation Program's solution as it pertains to the use, disclosure, and security of PII; and

3) provide written notice to the Division of Rehabilitation Services within one (1) Business Day after Community Rehabilitation Program's discovery of unauthorized use or disclosure PII and thereafter all information the State (or Division of Rehabilitation Services) requests concerning such unauthorized use or disclosure.

B. CRP's notice shall include:

- 1) the nature of the unauthorized use or disclosure;
- 2) the PII used or disclosed;
- 3) who made the unauthorized use or received the unauthorized disclosure;

- 5) what corrective action the Community Rehabilitation Program has taken or shall take to prevent future similar unauthorized use or disclosure.
- 6) any other information, including a written report, as reasonably requested by the State.

C. CRP may need to communicate with outside parties regarding a Security Incident, which may include contacting law enforcement, fielding media inquiries and seeking external expertise as mutually agreed upon, defined by law or contained in the Contract. Discussing Security Incidents with the State should be handled on an urgent as-needed basis, as part of CRP's communication and mitigation processes as mutually agreed upon, defined by law or contained in the Cooperative Agreement.

D. CRP shall comply with all applicable laws that require the notification of individuals in the event of unauthorized release of PII or other event requiring notification, and, where notification is required, assume responsibility for informing all such individuals in accordance with applicable law and to indemnify and hold harmless the State (or Division of Rehabilitation Services) and its officials and employees from and against any claims, damages, and actions related to the event requiring notification.

Commercial Law Art. 14-3504 is attached as a reference. It describes the activities the business must undertake if there is a security breach.
