A. PURPOSE

This Provisional Plan of Cooperation is entered into between the Maryland State Department of Education, Division of Rehabilitation Services (herein referred to as DORS) and **WeAchieve**, which is DDA licensed and/or certified, for the purpose of establishing practical and effective working relationships between the two entities to coordinate and provide effective service to eligible individuals with disabilities.

The intent of this provisional agreement is to assure that within the defined year of service, WeAchieve has provided services as set forth in this agreement, at a sufficient level of services to continue the Plan of Cooperation.

Before the end of the provisional year, DORS will decide whether to initiate an extension the Plan of Cooperation with WeAchieve depending on whether WeAchieve provided a sufficient level of services. DORS, within its discretion, will determine if WeAchieve provided a sufficient level of services. This provisional agreement will automatically expire at the end of the provisional year of service unless DORS takes further action to extend the Plan of Cooperation with WeAchieve.

Both agencies affirm that to participate in a Plan of Cooperation WeAchieve will comply with State of Maryland anti-discrimination laws and no person will be discriminated against, excluded from participation in, or be denied the benefits of any of the services enumerated hereafter because of race, color, sex, marital status, sexual orientation, gender identity, creed, physical or mental disability, age, political affiliation, or national origin. Each agency further affirms that no otherwise qualified and eligible individuals with a disability shall, solely because of disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity. (Appendix I, Statement of Assurance of Compliance with Civil Rights Laws).

This cooperative agreement is designed to:

- Define and promote the relationship of both agencies.
- Establish principles for the development of working relationships between the two agencies.
- Define the role, function, and responsibilities of each agency.
- Establish criteria by which the cooperative operations may be reviewed and evaluated in order to determine their effectiveness.
- Define areas of cooperation, including procedures related to referrals, service provision, reporting, communication, billing, and other program areas.

Provider Preference for Set-Aside Contracts. A condition of a Community Rehabilitation Program's approval is to provide approved services to DORS consumers. An approved DORS Community Rehabilitation Program provider is eligible for a preference for set-aside contracts through Maryland Works. DORS does not enter into cooperative agreements with Community Rehabilitation Programs for the sole purpose of enabling their eligibility for such set-aside contracts. ***DORS enters into agreements with Community Rehabilitation Programs interested in providing certain approved services to DORS consumers. DORS will monitor WeACHIEVE provision of services to DORS consumers and may withdraw approval of WeACHIEVE providing few if any employment services to DORS consumers.***

B. LEGAL BASIS

The coordination of programs serving individuals with disabilities and the development of cooperative agreements between these programs has the following basis in Federal and State law:

- The Rehabilitation Act of 1973, as amended by the Workforce Innovation Opportunity Act, 29 U.S.C. 701 et. seq.
- 34 Code of Federal Regulations §§ 361, 363, 397
- The Americans with Disabilities Act, as amended
- Maryland Education Article, §§ 21-301 – 21-304, Annotated Code of Maryland
- Code of Maryland Regulations, 13A, Subtitle 11.

The Division purchases services for applicants and eligible individuals only from WEACHIEVEs that: Are licensed and/or certified according to state law, as appropriate and comply with federal and state laws regarding anti-discrimination, specifically, Title VII of the Civil Rights Act of 1964; Title V of the Rehabilitation Act of 1973, as amended; and Titles I, II and III of the Americans with Disabilities Act, as amended.

The Division approves private non-profit disability organizations to provide rehabilitation services to DORS consumers, as described in this section. Exceptions to approve a for-profit business include private practitioners of Career Assessment Services and for-profit organizations providing rehabilitation services to an unserved or underserved disability population or in an underserved geographic area, with the approval of the DORS Director.

C. THE ROLE AND FUNCTION OF EACH AGENCY

1. Division of Rehabilitation Services (DORS)

DORS is the official State agency responsible for administering the Public Rehabilitation Program in Maryland. As such, DORS is responsible for providing to individuals with disabilities determined to be eligible and to meet Order of Selection criteria, vocational rehabilitation services and employment opportunities consistent with their assessed needs, capabilities, priorities, abilities, and informed choice as well as Pre-Employment Transition Services for both eligible, and potentially eligible, Students with Disabilities.

The Division is responsible for assessing the vocational potential of Maryland citizens with disabilities and providing services to assist eligible individuals in entering or re-entering employment thereby improving their ability to function independently in the community. In responding to the vocational needs of eligible individuals with disabilities, DORS will provide and/or coordinate services including but not limited to:

- Pre-Employment Transition Services
- Assessment for determining eligibility and priority for services for vocational rehabilitation based on the following federal criteria: The individual (1) has a physical or mental impairment which for the individual constitutes or results in a substantial impediment to employment; and (2) requires vocational rehabilitation services to prepare for, enter, engage in, or retain gainful employment. Individuals eligible for

Supplemental Security Income or Social Security Disability Insurance and those eligible for supported employment through of the Developmental Disabilities Administration and the Mental Hygiene Administration are presumed eligible for DORS services.

- Career assessment services
- Information and referral services
- Assistive technology services
- Vocational counseling and guidance
- Diagnosis and treatment of physical and mental impairments
- Vocational and other training services
- Supported employment services
- Self-employment services
- Placement and follow-up

DORS is required by federal law to establish an “**order of selection**” for services when the agency has insufficient funding to serve all eligible individuals. The order of selection stipulates that individuals with the most significant disabilities shall be served on a priority basis. Individuals may be placed on a waiting list for services. DORS will advise **WEACHIEVE** of the status of the order of selection periodically, including anticipated impact on referral of DORS consumers to **WEACHIEVE** for services.

The **financial need** of the individual with a disability is considered in determining if the individual would be required to contribute to the cost of certain rehabilitation services. In such instances, the income of the individual/family and size of the family are taken into account.

DORS supports only **competitive integrated employment**. To satisfy the definition of “competitive integrated employment” in section 7(5) of the Rehabilitation Act and 34CFR §361.5(c)(9) of the implementing regulations, the employment outcome must satisfy the criteria of three major components of the definition, including competitive earnings, integrated location, and opportunities for advancement.

Competitive Earnings

- Wages comparable to the customary wages paid by the employer to employees without disabilities in similar position.
- Benefits provided by the employer to the individual are comparable to the benefits received by an employee without disabilities in the same or similar position.

Integrated Setting

- Employment typically found in the community
- Employment in which the employee with a disability interacts for the purpose of performing the duties of the position with other employees with the particular work unit and the entire work site, and as appropriate to the work performed, other persons (e.g. customers and vendors), who are not individuals with disabilities (not including supervisory personnel or individuals who are providing services to such employee) to the same extent that employees who are not individuals with

disabilities and who are in comparable positions interact with these persons.

Opportunities for Advancement

- The employment setting provides the individual with opportunities for advancement comparable with those available to employees without disabilities in similar position.

Caution should be exercised in "screening out" applicants for referral to DORS without adequate information. Screening out cases without sufficient data, i.e., medical, vocational, and other relevant data, may result in individuals with disabilities not receiving needed services.

- A **DORS Authorization** identifying services to be provided, dates of service and cost will be sent to **WeAchieve** **prior to** a person entering a service program.

As a result of discussing the individual's plan for WAT/EDS services, all of the participants in the process should know specifically which behaviors or problems are being addressed, the objectives or goals which are to be accomplished and the techniques, methods, and procedures which are to be used in accomplishing the necessary changes.

7. Pre-Employment Transition Services (Pre-ETS) N/A

In July 2014, the Workforce Innovation and Opportunity Act (WIOA) was signed into law. WIOA replaces the Workforce Investment Act of 1998 (WIA) and amends the Rehabilitation Act of 1973. WIOA requires vocational rehabilitation (VR) agencies to set aside at least 15% of their federal funds to provide "pre-employment transition services" (Pre-ETS) specifically to "Students with Disabilities."

A "Student with a Disability" is defined as an individual who:

- is still enrolled in secondary school and has not exited, graduated, or withdrawn;
- is at least 14 years old but less than 22;
- and has a disability (i.e., receives services under an IEP or 504 plan, or has

a disability for purposes of section 504).

The limited Pre-ETS that may be provided, based on identified need and the availability of services, include:

- Job exploration counseling
- Work-based learning experiences, which may include in-school or after school opportunities, experiences outside of the traditional school setting, and/or internships
- Counseling on opportunities for enrollment in comprehensive transition or post-secondary educational programs

8. Extended Services for Youth with Most Significant Disabilities N/A

- Sufficient monitoring at a minimum, four times a month at the work site of the individual to assess and verify continued employment stability,
- Coordination or provision of specific services at or away from the work site that are needed to maintain employment stability.
- **WEACHIEVE** shall complete the ***Employment Service Progress Form*** (Attachment D). The Form is required each month whether **WEACHIEVE** is sending an invoice to DORS or not to the DORS counselor on services provided and on efforts to identify a source for long-term funding or natural supports for the consumer to access with the goal for the consumer to be able to continue receiving required ongoing supports after age 25.

9. Supported Employment – Natural Supports N/A

This service is for individuals with most significant disabilities that meet the requirements for supported employment services and does not have an immediate guarantee of extended services funding availability, but there is a reasonable expectation that natural supports or other alternate sources will be available upon job stabilization.

Job Coaching Hours. Once competitive integrated employment is obtained, job coaching hours are authorized by DORS based on the Intensive Job Coaching Fading Scale Before Transition to Natural Supports. Additional hours beyond what has been originally authorized may be authorized based on a collaborative discussion between **WeAchieve** and DORS and may require written justification and approval of the DORS regional director.

Service Intensity. Supported employment job coaching may be provided at the job site if requested by the individual. It is designed as an intensive service. Over time, it is anticipated that the consumer will need fewer hours of support, as reflected in the Fading Schedule with Intensive Monitoring, until he/she has reached job stabilization, i.e., the individual is performing satisfactorily all job duties and is reasonably expected to continue that level of performance. The transition to extended services will begin after all supported employment services are complete.

SEP Plan. The person's **WeAchieve** Supported Employment Program (SEP) plan shall be developed consistent with the consumer's IPE in terms of the employment goal, work hours per week and other relevant factors. It must contain the description of the job development (if applicable), natural supports available, and integrated work setting services to be provided; provision for periodic monitoring to ensure progress towards meeting the goal and a description of the extended services.

Confirmation of extended supports. The *Employment Service Progress Form* must document the development and confirmation of natural supports as extended services.

Supported Employment Reporting. After the DORS consumer has completed the first month of Supported Employment job coaching and monthly thereafter, **WeAchieve** shall complete the *Employment Service Progress Form* (Attachment D). The Form is required each month whether **WeAchieve** is sending an invoice to DORS or not.

Authorizations for Job Coaching. DORS only pays for job coaching services which have been previously authorized by a DORS official.

Job Coaching for Volunteer Work. DORS approves job coaching services for individuals in paid employment. In exceptional and justifiable circumstances and with the approval of the DORS supervisor, job coaching may be provided for a limited amount of time for a volunteer position.

10. Employment Verification and Reports

When the DORS consumer has been placed in competitive integrated employment by **WEACHIEVE** the report shall contain the following information to DORS:

- Job Title
- Employer name, address, and phone number
- Address of actual worksite if different from employer address
- Integration of worksite

- Start date of employment
- Work hours per week
- Rate of pay
- Benefits received or available through employer.

When no placement incentives apply, authorization may be requested to verify employment stability at 90 days through use of WeAchieve *Employment Verification & Placement Incentive Request*.

H. COMMUNICATION REGARDING PERSONS SERVED

In order to facilitate a successful outcome for the consumer, it is critical that the DORS counselor and WeAchieve staff communicate frequently. While written reports are an important, formal means to communicate progress, additional communication should occur on an as-needed basis to supplement formal reporting. Staff of WeAchieve and DORS are encouraged to communicate often by phone, teleconference, email or informally in person; such communication should be documented in the record. At times a more formal meeting, or “staffing” may be required, as follows:

For purposes of this agreement, a **staffing** is defined as a meeting initiated by DORS, WeAchieve, or the client. A staffing will include the client, the individual requesting the meeting, family, or other advocates as appropriate, the DORS counselor, and a WeAchieve representative, and/or other supervisory staff. Staffing will be convened at critical times within the provision of services for the following purposes:

- Upon the request of the DORS consumer or, as appropriate, the person’s parent, family member, guardian, advocate, or authorized representative;
- When progress toward goals and objectives identified in the person’s Individualized Plan for Employment is not being achieved in a timely, productive, and cost-effective manner as reflected in reports of WeAchieve services;
- At other times to address specific issues as requested by DORS or WeAchieve.

I. FEES, BILLING AND FINANCIAL PROCEDURES

1. **Establishment & application of fees.** Fees are established for accredited services at rates negotiated by DORS and WeAchieve (see Appendix 2 – Program Services and Fee Schedule).
 - a. New/revised fees may be applied to persons served already enrolled in the program effective on the official date of the increase.
 - b. New/revised fees may not be applied retroactively.
2. **Responsibility for payment.** DORS will not be responsible for the payment of any fees charged by WeAchieve for services provided prior to the time authorized by DORS staff.

3. **Failure of consumer to keep initial appointment at WeAchieve.** If a DORS consumer fails to attend on the starting date, WeAchieve Director or designee will inform the DORS counselor immediately. The Director or designee shall also contact the DORS consumer to schedule a new appointment with WeAchieve at no cost to DORS.
4. **Missed appointment or no show/withdrawal after the 1st week.** After the first week, adjustments in the weekly fee shall be made should a DORS consumer be absent for more than three consecutive days. WeAchieve shall report absences early and all dates of absence must be reported on the monthly progress reports to the DORS counselor.
5. **Term of enrollment and continuation of billing.** A DORS consumer is considered to be enrolled until completion of the prescribed program as stipulated by the authorization or until the DORS counselor notifies WeAchieve, through the Director, that the DORS consumer is to be suspended or terminated from the program. Billing will continue until such notification is made except that five consecutive days of absence will constitute an automatic suspension by WeAchieve, and billing will then cease unless the DORS consumer is reinstated. Reinstatement requires advance notification to WeAchieve Director by the person's DORS Counselor.
6. **Compliance with laws prohibiting discrimination.** DORS will purchase services for persons served only from community programs which comply with federal and state laws prohibiting discrimination in employment or in the provision of public services, including Title VII of the Civil Rights act of 1964; Title V of the Rehabilitation Act of 1973, as amended; and Titles I, II and III of the Americans with Disabilities Act. (See Appendix 1.)
7. **Financial participation of persons served.** WeAchieve may not require or accept any payment from the DORS consumer or the person's family, or a third party for those services unless, prior to providing the services, the amount of the person's responsibility has been:
 - a. Preauthorized by DORS; and
 - b. Agreed to by the DORS consumer in writing; and
 - c. Approved by the DORS counselor in keeping with the Division's financial need policy.

When the DORS consumer participates in the cost, the amount shall be indicated on the DORS authorization and charged by WeAchieve directly to the DORS consumer. The total amount, including that charged to the person and the Division, cannot exceed the cost of the service as indicated in the DORS Fee Schedule.

8. **Psychological evaluation required for WeAchieve admission.** If a psychological evaluation is required for admission to WeAchieve, WeAchieve shall not require DORS to purchase a psychological evaluation if the counselor has available existing documentation of the individual's disability.

9. **Payment for services not approved or accredited by DORS.** DORS shall not pay for any program services (e.g., vocational services) which have not been approved or accredited by DORS or a DORS-approved national accrediting organization, and for which a DORS fee has not been established under this Cooperative Agreement.
10. **Amount of invoice for services.** WeAchieve shall not bill DORS for an amount in excess of the fees indicated in the current Cooperative Agreement. WeAchieve shall charge DORS a fee no greater than the fee charged other purchasers of their services and may bill for services only for the authorized time period.
11. **Number of referrals from DORS.** This agreement does not obligate DORS to refer any specific number of individuals to WeAchieve. Payments to WeAchieve will be based on bona fide actions only.
12. **Provision of Services to DORS consumers.** DORS shall at least annually determine if WeAchieve has provided the approved services to DORS consumers in assessing whether WeAchieve continues to be in an active status.
13. **Contents of Invoices.** All invoices must be made out to the Division of Rehabilitation Services and include the vendor's name, remittance address, federal taxpayer identification number (if the vendor does not have a federal identification number, include the vendor's Social Security Number), the participant's name, a description of the details of the goods and/or services provided, the date that the goods and/or services were rendered, the date of the invoice, the authorization number, and an invoice number. Invoices are to be faxed to the DORS office which originated the Authorization/Purchase Order, and reference only one (1) Consumer per invoice.
14. **Report submitted with invoice.** WeAchieve invoices requesting payment for services must be submitted simultaneously with a report as described in the Reports section of this Agreement. Invoices **must** be faxed to the DORS office which originated the Authorization/Purchase Order and reference only one (1) Consumer per invoice. Invoices submitted without required reports will be returned to WeAchieve, which will increase processing time for payment.

Statement of Assurance of Compliance with PII Security Breach Requirements

"The Personal Information Protection Act (PIPA), Md. Code Ann. Comm. Law 14-3504, was enacted to make sure that Maryland consumers' personal identifying information (PII) is reasonably protected, and if it is compromised, they are notified so that they can take steps to protect themselves. PIPA contains provisions for notification of consumers in the event of a data security breach and for reasonable security measures to protect consumers' personal identifying information."

PIPA defines "personal identifying information (PII)" as:

An individual's first and last name in combination with:

- A Social Security number, an Individual Taxpayer Identification number, a passport number, or other identification number issued by the federal government;
- A driver's license number or state identification card number;
- An account number, a credit card number, or a debit card number, in combination with any required security code, access code, or password, that permits access to an individual's financial account;
- Health information, including information about an individual's mental health;
- A health insurance policy or certificate number or health insurance subscriber identification number, in combination with a unique identifier used by an insurer or an employer that is self-insured, that permits access to an individual's health information; or
- Biometric data of an individual generated by automatic measurements of an individual's biological characteristics such as a fingerprint, voice print, genetic print, retina or iris image, or other unique biological characteristic, that can be used to uniquely authenticate the individual's identity when the individual accesses a system or account; OR
- Username or email address in combination with a password or security question and answer that permits access to an individual's email account.

A "security breach" is defined as the unauthorized acquisition of computerized data that compromises the security, confidentiality, or integrity of personal information. If a business experiences a security breach where personal information that, combined, may pose a threat to a consumer if misused, that business must notify any affected consumers residing in Maryland. Once a security breach is detected, a business must conduct in good faith a reasonable and prompt investigation to determine whether the information that has been compromised has been or is likely to be misused, i.e., for identity theft. If the investigation shows that there is a reasonable chance that the data will be misused, that business must notify the affected consumers.

WEACHIEVE affirms that they have a policy in place that supports the following requirements and agrees to abide by the requirements outlined below:

A. **WEACHIEVE** shall notify the Division of Rehabilitation Services when any Community Rehabilitation Program system that may access, process, or store PII data experiences a Security Incident or a Data Breach as follows:

- a. notify the Division of Rehabilitation Services within twenty-four (24) hours of the discovery of a Security Incident by providing notice via written or electronic correspondence to the Division's Cooperative Agreement liaison, the Assistant State Superintendent in Rehabilitation Services for the Division of Rehabilitation Services, and the Staff Specialist for Community Rehabilitation Programs assigned to WeAchieve;
- b. notify the Division of Rehabilitation Services within two (2) hours if there is a threat to Community Rehabilitation Program's solution as it pertains to the use, disclosure, and security of PII; and
- c. provide written notice to the Division of Rehabilitation Services within one (1) Business Day after Community Rehabilitation Program's discovery of unauthorized use or disclosure PII and

thereafter all information the State (or Division of Rehabilitation Services) requests concerning such unauthorized use or disclosure.

B. **WEACHIEVE's** notice shall include:

- 1) the nature of the unauthorized use or disclosure;
- 2) the PII used or disclosed;
- 3) who made the unauthorized use or received the unauthorized disclosure;
- 4) what the Community Rehabilitation Program has done or shall do to mitigate any deleterious effect of the unauthorized use or disclosure; and
- 5) what corrective action the Community Rehabilitation Program has taken or shall take to prevent future similar unauthorized use or disclosure.
- 6) any other information, including a written report, as reasonably requested by the State.

C. **WEACHIEVE** may need to communicate with outside parties regarding a Security Incident, which may include contacting law enforcement, fielding media inquiries and seeking external expertise as mutually agreed upon, defined by law, or contained in the Contract. Discussing Security Incidents with the State should be handled on an urgent as-needed basis, as part of **WEACHIEVE's** communication and mitigation processes as mutually agreed upon, defined by law, or contained in the Cooperative Agreement.

D. **WEACHIEVE** shall comply with all applicable laws that require the notification of individuals in the event of unauthorized release of PII or other event requiring notification, and, where notification is required, assume responsibility for informing all such individuals in accordance with applicable law and to indemnify and hold harmless the State (or Division of Rehabilitation Services) and its officials and employees from and against any claims, damages, and actions related to the event requiring notification.

Commercial Law Art. 14-3504 is attached as a reference. It describes the activities the business must undertake if there is a security breach.

(a) In this section:

(1) “Breach of the security of a system” means the unauthorized acquisition of computerized data that compromises the security, confidentiality, or integrity of the personal information maintained by a business; and

(2) “Breach of the security of a system” does not include the good faith acquisition of personal information by an employee or agent of a business for the purposes of the business, provided that the personal information is not used or subject to further unauthorized disclosure.

(b)(1) A business that owns, licenses, or maintains computerized data that includes personal information of an individual residing in the State, when it discovers or is notified that it incurred a breach of the security of a system, shall conduct in good faith a reasonable and prompt investigation to determine the likelihood that personal information of the individual has been or will be misused as a result of the breach.

(2) Subject to subsection (c)(4) of this section, if, after the investigation is concluded, the business determines that the breach of the security of the system creates a likelihood that personal information has been or will be misused, the owner or licensee of the computerized data shall notify the individual of the breach.

(3) Except as provided in subsection (d) of this section, the notification required under paragraph (2) of this subsection shall be given as soon as reasonably practicable, but not later than 45 days after the business concludes the investigation required under paragraph (1) of this subsection.

(4) If after the investigation required under paragraph (1) of this subsection is concluded, the business determines that notification under paragraph (2) of this subsection is not required, the business shall maintain records that reflect its determination for 3 years after the determination is made.

(c)(1) A business that maintains computerized data that includes personal information of an individual residing in the State that the business does not own or license, when it discovers or is notified of a breach of the security of a system, shall notify, as soon as practicable, the owner or licensee of the personal information of the breach of the security of a system.

(2) Except as provided in subsection (d) of this section, the notification required under paragraph (1) of this subsection shall be given as soon as reasonably practicable, but not later than 45 days after the business discovers or is notified of the breach of the security of a system.

(3) A business that is required to notify an owner or licensee of personal information of a breach of the security of a system under paragraph (1) of this subsection shall share with the owner or licensee information relative to the breach.

(4)(i) If the business that incurred the breach of the security of a system is not the owner or licensee of the computerized data, the business may not charge the owner or licensee of the computerized data a fee for providing information that the owner or licensee needs to make a notification under subsection (b)(2) of this section.

(ii) The owner or licensee of the computerized data may not use information relative to the breach of the security of a system for purposes other than:

1. Providing notification of the breach;
2. Protecting or securing personal information; or
3. Providing notification to national information security organizations created for information-sharing and analysis of security threats, to alert and avert new or expanded breaches.

(d)(1) The notification required under subsections (b) and (c) of this section may be delayed:

(i) If a law enforcement agency determines that the notification will impede a criminal investigation or jeopardize homeland or national security; or

(ii) To determine the scope of the breach of the security of a system, identify the individuals affected, or restore the integrity of the system.

(2) If notification is delayed under paragraph (1)(i) of this subsection, notification shall be given as soon as reasonably practicable, but not later than 30 days after the law enforcement agency determines that it will not impede a criminal investigation and will not jeopardize homeland or national security.

(e) The notification required under subsection (b) of this section may be given:

(1) By written notice sent to the most recent address of the individual in the records of the business;

(2) By electronic mail to the most recent electronic mail address of the individual in the records of the business, if:

(i) The individual has expressly consented to receive electronic notice; or

(ii) The business conducts its business primarily through Internet account transactions or the Internet;

(3) By telephonic notice, to the most recent telephone number of the individual in the records of the business; or

(ii) The business does not have sufficient contact information to give notice in accordance with item (1), (2), or (3) of this subsection.

(f) Substitute notice under subsection (e)(4) of this section shall consist of:

(1) Electronically mailing the notice to an individual entitled to notification under subsection (b) of this section, if the business has an electronic mail address for the individual to be notified;

(2) Conspicuous posting of the notice on the website of the business, if the business maintains a website; and

(3) Notification to statewide media.

(a) Except as provided in subsection (i) of this section, the notification required under subsection (b) of this section shall include:

(1) To the extent possible, a description of the categories of information that were, or are reasonably believed to have been, acquired by an unauthorized person, including which of the elements of personal information were, or are reasonably believed to have been, acquired;

(2) Contact information for the business making the notification, including the business' address, telephone number, and toll-free telephone number if one is maintained;

(3) The toll-free telephone numbers and addresses for the major consumer reporting agencies; and

(4)(i) The toll-free telephone numbers, addresses, and website addresses for:

1. The Federal Trade Commission; and

2. The Office of the Attorney General; and

(ii) A statement that an individual can obtain information from these sources about steps the individual can take to avoid identity theft.

(h) Prior to giving the notification required under subsection (b) of this section and subject to subsection (d) of this section, a business shall provide notice of a breach of the security of a system to the Office of the Attorney General.

(i)(1) In the case of a breach of the security of a system involving personal information that permits access to an individual's e-mail account under § 14-3501(e)(1)(ii) of this subtitle and no other personal information under § 14-3501(e)(1)(i) of this subtitle, the business may comply with the notification requirement under subsection (b) of this section by providing the notification in electronic or other form that directs the individual whose personal information has been breached promptly to:

(i) Change the individual's password and security question or answer, as applicable; or

(ii) Take other steps appropriate to protect the e-mail account with the business and all other online accounts for which the individual uses the same username or e-mail and password or security question or answer.

(2) Subject to paragraph (3) of this subsection, the notification provided under paragraph (1) of this subsection may be given to the individual by any method described in this section.

(3)(i) Except as provided in subparagraph (ii) of this paragraph, the notification provided under paragraph (1) of this subsection may not be given to the individual by sending notification by e-mail to the e-mail account affected by the breach.

(ii) The notification provided under paragraph (1) of this subsection may be given by a clear and conspicuous notice delivered to the individual online while the individual is connected to the affected e-mail account from an Internet Protocol address or online location from which the business knows the individual customarily accesses the account.

(j) A waiver of any provision of this section is contrary to public policy and is void and unenforceable.

(k) Compliance with this section does not relieve a business from a duty to comply with any other requirements of federal law relating to the protection and privacy of personal information.
