Both agencies affirm that no person will be discriminated against, excluded from participation in or be denied the benefits of any of the services enumerated hereafter because of race, color, gender, creed, physical or mental disability, age, political affiliation, or national origin. Each agency further affirms that no otherwise qualified individuals with a disability shall, solely because of disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity. (Appendix I, Statement of Assurance of Compliance with Civil Rights Laws).

This cooperative agreement is designed to:

- Define and promote the relationship of both agencies.
- Establish principles for the development of working relationships between the two agencies.
- Define the role, function, and responsibilities of each agency.
- Establish criteria by which the cooperative operations may be reviewed and evaluated in order to determine their effectiveness.

Provider Preference for Set-Aside Contracts. A condition of a Community Rehabilitation Program's approval is to provide approved services to DORS consumers. An approved DORS Community Rehabilitation Program provider is eligible for a preference for set-aside contracts through Maryland Works. DORS does not enter into cooperative agreements with Community Rehabilitation Programs for the sole purpose of enabling their eligibility for such set-aside contracts. ***DORS enters into agreements with Community Rehabilitation Programs interested in providing certain approved services to DORS consumers. DORS will monitor WE ARE ONE FAMILY HEALTH SERVICES OF MARYLAND, LLC provision of services to DORS consumers and may withdraw approval of WE ARE ONE FAMILY HEALTH SERVICES OF MARYLAND, LLC providing few if any employment services to DORS consumers.***

B. LEGAL BASIS

The coordination of programs serving individuals with disabilities and the development of cooperative agreements between these programs has the following basis in Federal and State law:

- The Rehabilitation Act of 1973, as amended by the Workforce Innovation Opportunity Act, 29 U.S.C. 701 et. seq.
- 34 Code of Federal Regulations §§ 361, 363, 397
- The Americans with Disabilities Act, as amended
- Maryland Education Article, §§ 21-301 – 21-304, Annotated Code of Maryland
- Code of Maryland Regulations, 13A, Subtitle 11.

C. THE ROLE AND FUNCTION OF EACH AGENCY

1. Division of Rehabilitation Services (DORS)

DORS is the official State agency responsible for administering the Public Rehabilitation Program in Maryland. As such, DORS is responsible for providing to individuals with disabilities determined to be eligible and to meet Order of Selection criteria, vocational rehabilitation services and employment opportunities consistent with their assessed needs, capabilities, priorities, abilities, and informed choice as well as Pre-Employment Transition Services for both eligible, and potentially eligible, Students with Disabilities.

The Division is responsible for assessing the vocational potential of Maryland citizens with disabilities and providing services to assist eligible individuals in entering or re-entering employment thereby improving their ability to function independently in the community. In responding to the vocational needs of eligible individuals with disabilities, DORS will provide and/or coordinate services including but not limited to:

- Pre-Employment Transition Services
- Assessment for determining eligibility and priority for services for vocational rehabilitation based on the following federal criteria: The individual (1) has a physical or mental impairment which for the individual constitutes or results in a substantial impediment to employment; and (2) requires vocational rehabilitation services to prepare for, enter, engage in, or retain gainful employment. Individuals eligible for Supplemental Security Income or Social Security Disability Insurance and those eligible for supported employment through of the Developmental Disabilities Administration and the Mental Hygiene Administration are presumed eligible for DORS services.
- Career assessment services
- Information and referral services
- Assistive technology services
- Vocational counseling and guidance
- Diagnosis and treatment of physical and mental impairments
- Vocational and other training services
- Supported employment services
- Self-employment services
- Placement and follow-up

DORS is required by federal law to establish an “**order of selection**” for services when the agency has insufficient funding to serve all eligible individuals. The order of selection stipulates that individuals with the most significant disabilities shall be served on a priority basis. Individuals may be placed on a waiting list for services. DORS will advise **WE ARE**

ONE FAMILY HEALTH SERVICES OF MARYLAND, LLC of the status of the order of selection periodically, including anticipated impact on referral of DORS consumers to **WE ARE ONE FAMILY HEALTH SERVICES OF MARYLAND, LLC** for services.

The **financial need** of the individual with a disability is considered in determining if the individual would be required to contribute to the cost of certain rehabilitation services. In such instances, the income of the individual/family and size of the family are taken into account.

DORS supports only **competitive integrated employment**. To satisfy the definition of “competitive integrated employment” in section 7(5) of the Rehabilitation Act and 34CFR §361.5(c)(9) of the implementing regulations, the employment outcome must satisfy the criteria of three major components of the definition, including competitive earnings, integrated location, and opportunities for advancement.

Competitive Earnings

- Wages comparable to the customary wages paid by the employer to employees without disabilities in similar position.
- Benefits provided by the employer to the individual are comparable to the benefits received by an employee without disabilities in the same or similar position.

Integrated Setting

- Employment typically found in the community
- Employment in which the employee with a disability interacts for the purpose of performing the duties of the position with other employees with the particular work unit and the entire work site, and as appropriate to the work performed, other persons (e.g. customers and vendors), who are not individuals with disabilities (not including supervisory personnel or individuals who are providing services to such employee) to the same extent that employees who are not individuals with disabilities and who are in comparable positions interact with these persons.

Opportunities for Advancement

- The employment setting provides the individual with opportunities for advancement comparable with those available to employees without disabilities in similar position.

8. **Supported Employment – Natural Supports N/A**

This service is for individuals with most significant disabilities that meet the requirements for supported employment services and does not have an immediate guarantee of extended services funding availability, but there is a reasonable expectation that natural supports or other alternate sources will be available upon job stabilization.

SEP Plan. The person's **WE ARE ONE FAMILY HEALTH SERVICES OF MARYLAND, LLC** Supported Employment Program (SEP) plan shall be developed consistent with the consumer's IPE in terms of the employment goal, work hours per week and other relevant factors. It must contain the description of the job development (if applicable), natural supports available, and integrated work setting services to be provided; provision for periodic monitoring to ensure progress towards meeting the goal and a description of the extended services.

Confirmation of extended supports: The *Employment Service Progress Form* must document the development and confirmation of natural supports as extended services.

5. **Term of enrollment and continuation of billing.** A DORS consumer is considered to be enrolled until completion of the prescribed program as stipulated by the authorization or until the DORS counselor notifies **WE ARE ONE FAMILY HEALTH SERVICES OF MARYLAND, LLC**, through the Director, that the DORS consumer is to be suspended or terminated from the program. Billing will continue until such notification is made except that five consecutive days of absence will constitute an automatic suspension by **WE ARE ONE FAMILY HEALTH SERVICES OF MARYLAND, LLC** and billing will then cease unless the DORS consumer is reinstated. Statement of Assurance of Compliance with PII Security Breach Requirements

"The Personal Information Protection Act (PIPA), Md. Code Ann. Comm. Law 14-3504, was enacted to make sure that Maryland consumers' personal identifying information (PII) is reasonably protected, and if it is compromised, they are notified so that they can take steps to protect themselves. PIPA contains provisions for notification of consumers in the event of a data security breach and for reasonable security measures to protect consumers' personal identifying information."

PIPA defines "personal identifying information (PII)" as:
