# APPS

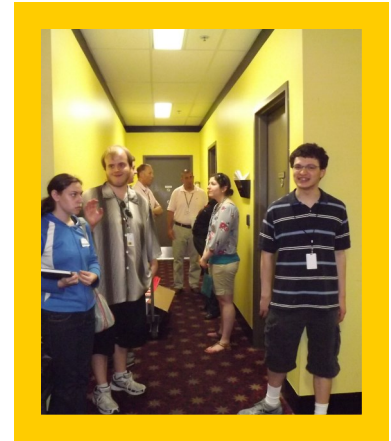

## Autism Program Planning Success for Employment

**The APPS program assists individuals with Autism Spectrum Disorders with self-determination and employment readiness skills.**

### **Program Includes:**

- Small group, interactive learning sessions that focus on:
  - Self-determination
  - Self-advocacy
  - Decision making
  - Career interests & skills
  - Job exploration
  - Work expectations & responsibilities
  - Employer expectations
  - Employee responsibilities
  - Job readiness
- Worksite visits

### **Program Requirements:**

- Documentation of an autism spectrum disorder
- Completion of high school requirements
- An interview with program staff prior
- Ability to participate in all APPS programs and community activities with little supervision

**Contact your DORS Counselor or your local DORS office for more information**
