

Behavioral Health

Behavioral Health Services (BHS)

provides support to DORS consumers referred by their counselors who want support to maintain a healthy recovery lifestyle as they work toward employment and self-sufficiency.

These services can be provided either in person at a local DORS office, at DORS Workforce & Technology Center (WTC), or virtually.

BHS INCLUDES:

- **Addictions Assessment** to determine substance use, including drug testing.
- **Behavioral Health Screening** to assess consumers for behavioral addictions and co-occurring (substance + behavioral health) disorders.
- **Behavioral Health Counseling**, including coping strategies, general support, referrals for additional services.
- **Behavioral Health Education** provided to WTC career training and Work Readiness classes on topics such as:
 - Stress Management for the Workplace
 - Work-Life Balance
 - Employment Drug Testing: Passing the Test

HEALTH SERVICES INCLUDE:

- Diabetic Assessments for Blind/Visually Impaired, ILOB, and sighted consumers
- Diabetic Education
- Health Education as it pertains to employment for consumers in training

Questions about BHS Services?
If you are already working with DORS, contact BHS at 410-554-9130 for more information.

DIVISION OF REHABILITATION SERVICES

Notice of Non-Discrimination

The Maryland State Department of Education Division of Rehabilitation Services (DORS) does not discriminate based on age, ancestry, color, creed, gender identity or expression, genetic information, marital status, mental or physical disability, national origin, race, religious affiliation, belief or opinion, sex, or sexual orientation in matters affecting employment or in providing access to its programs and activities.

The Vocational Rehabilitation program receives 78.7% of its funding through a grant from the U.S. Department of Education. For the Federal fiscal year 2023, the total amount of grant funds awarded was \$52,041,475. The remaining 21.3% of the costs (\$14,084,922) were funded by State appropriations.
