

Consulting Connection Services

Consulting Connection Services (CCS) partners with your local Vocational Rehabilitation agency through a Partnership Plus agreement that seamlessly transitions your ticket to CCS when your VR services end and the services are FREE to you.

Benefits of Ticket to Work:

While progressing in the Ticket to Work program, SSA won't administer Continuing Medical Reviews and CCS can help you understand the information you receive from SSA.

CCS is approved to do the following:

Job Coaching and Advocacy

Our Certified Employment Support Professionals (CESP) help with obtaining and maintaining employment that fits your specific skills and needs, allowing you to focus on your career. Some of the supports we provide are:

- Resume building to highlight your skills and talents.
- Interview tips to help you land the job you want.
- Accommodations to position you for the most success in your career.
- Provide resources to help you keep on track for your goals.

Benefits Counseling

Our certified Benefits Counselors help you understand your benefits. We can address your specific situation.

- How your earned income impacts your benefits.
- How to protect health benefits.
- Can determine if you may qualify for any income exclusions or work incentives so you can keep more money in your check!
