

Seeking Psychologists to work with Deaf and Hard and Hearing Consumers

The Division of Rehabilitation Services (DORS) is seeking licensed Psychologists who have skills and experience working with people who are Deaf and Hard-of-Hearing; specifically, to provide psychological evaluations. These evaluations assist DORS staff in determining consumers' eligibility to receive services.

This is not a permanent or contractual position as a MD State employee. It is a call for licensed Psychologists to consider becoming a DORS approved vendor.

Psychologist (DORS Vendor) Duties:

- Conduct comprehensive adult psychological assessment (individuals 18 and older), up to 3 ½ hours per individual, including:
 - IQ Test (WAIS)
 - Academic Achievement (WRAT)
 - Activities of daily living
 - Mental Status Exam
 - Clinical Review
- Conduct personality disorder evaluation, up to 1 hour for supplemental testing.
- Conduct memory disorder evaluation, up to two hours for supplemental testing.
- Report and submit the assessment to DORS counselors

Qualifications:

- Maryland State License
- Ph.D. degree
- ASL fluent
- Provide own psychological assessment toolkit

If you are interested in being a vendor for DORS, please contact the Statewide Coordinator for Deaf Services, Noe Turcios, at noe.turcios@maryland.gov.
