

# Chat with CAP

The Maryland Client Assistance Program (CAP) may help to provide information, advice, and advocacy to Marylanders with disabilities applying for and receiving services from Maryland Division of Rehabilitation Services (DORS) and Centers for Independent Living (CILs).

## This informational session will:

Introduce the CAP team

Give a brief overview of DORS and CILs

Discuss the purpose and support that CAP may provide

Time for questions and answers (note: not individual cases)
