COMMENTS

DORS aims to create an open discussion related to DORS services and encourages helpful and useful comments.

Please note that this is a moderated page, meaning that all comments will be reviewed for appropriate content. Please stay on topic and show respect to those who will read your comments.

Comments that do not directly relate to DORS, including abusive or vulgar language, spam, hate speech, personal attacks, or similar content will be considered off topic and may not be posted on this page. DORS reserves the right to determine which comments are acceptable and to remove unacceptable posts. We will however attempt to respond to legitimate questions and concerns regarding DORS' mission and services.

Be aware that the comments published on all parts of this page—even when the commenter identifies himself or herself as a DORS employee—are not to be considered official communications from MSDE DORS. And responses, by nature, have to be general.

If you have a specific question or concern about your specific situation, please contact your DORS counselor or local office, or the DORS Client Assistance Program at 410-554-9361/1-800-638-6243, cap.dors@maryland.gov.
